1. Father, Father of all things, we bless You.
Father, we love and adore You.
O Father, Your children praise You.
Father, Father of light and of power,
Father, Your greatness surrounds the earth
And all of Your children declare You are Lord.

2. Jesus, only Son of the living God,
Jesus You willingly suffered
that thro` You we might know His love.
Jesus, cleanse us, Your people, and fill us.
Pour down Your Spirit upon us
that we as Your body may show forth Your love.

3. Spirit, sent by the Son to dwell in us,
Living and working within us
to make us more like Jesus;
Spirit, fall down upon us as fire.
Fill and equip us with power
And draw from us love and praise to the Lord.
